

Entertainment Commerce Platform

Point of Sale | Handheld POS | Mobile Order & Pay | Self Ordering Kiosks | Online Ordering

Kitchen Display System (KDS)

Streamline orders from taproom kitchens, food trucks, and online sales so every pint pairs smoothly with food service

Easy Tab®

Let guests start a tab once and keep reordering without slowing down the bar

Opsi by GoTab Integration

Manage recipes, track inventory, and automate invoicing to control costs

Flexible Hardware Options

Run GoTab on Android, iOS, or Windows devices—no expensive, locked-in POS hardware required

Remote Management

Adjust menus, beer pricing, and staff permissions anytime, anywhere with the GoTab Manager app

GoTab Zones

Customize service models by area; i.e., taproom, patio, or beer garden, so each space runs exactly the way you want

Compliant Credit Surcharging

Protect your margins while keeping pricing transparent for guests

24/7 Human Support

Get real help by chat, phone, SMS, or email whenever your brewery team needs it

Why GoTab

Customer Support Issues? Costs Too High? Expanding Your offerings?

Do more with less, and request a demo of our complete suite of tools for
Breweries, Taprooms and Brewpubs.

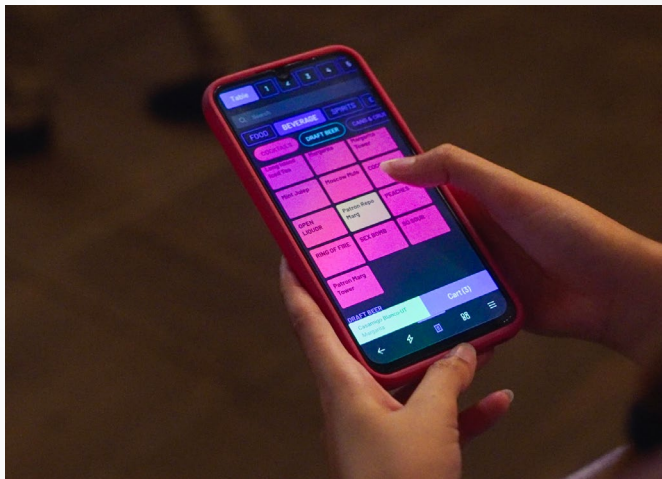

PARTNERING WITH TOP BRANDS NATIONWIDE
