

Smarter Tips, Happier Teams

AUTOMATE & SIMPLIFY COMPLEX TIP POOLS AND CALCULATIONS

TipHaus, integrated with GoTab, automates tip calculation, compliance, and digital payouts. Eliminating spreadsheets and manual work, it ensures real-time, transparent tip management. Syncing sales and labor data every 15 minutes, it ensures fair, accurate, and compliant tip distribution.

KEY FEATURES

Patented Time-of-Sale Tip Distribution

Create fairness and clarity with support for complex rules (events, pooled roles, hybrid models.)

Tiphaus App

Cut tip disputes by up to 95% by giving employees access and visibility to their real-time earnings.

Earned Tip Access®

Boost employee satisfaction and retention with free, daily digital tip payouts.

BENEFITS

Save 20+ hours per Month

Reduce labor-related expenses by over \$1,000/month (based on TipHaus customer data.)

Simplify Tip Management

Eliminate fraud, errors, and compliance risks associated with manual tip handling.

Empower Staff

Provide staff a dedicated employee app, with real-time pay history, and tools like credit tracking and proof of income.
