

GoTab + Shipday

Shipday enables automated delivery directly through GoTab's Online Ordering. This streamlines online ordering, gives the restaurant control over the customer experience, and saves the restaurant money on costly third-party commissions.

Commission-free Delivery

Delivery orders are placed directly through your website via GoTab Online Ordering. No commission, just a low flat-rate delivery cost per delivery.

Live Branded Tracking

Once the order is placed in GoTab, Shipday automatically dispatches a third-party driver and texts the customer a live branded tracking link.

Collect Reviews

Once the order is delivered, customers are asked to leave feedback. 5-star reviews are taken to your Google page, other reviews remain private.
