

PARTNER FACT SHEET

Seamless Bookings, Streamlined Events

THE ONLY TRIPLESEAT POS INTEGRATION, BUILT TO SIMPLIFY EVENT SALES & EXECUTION.

Tripleseat, a leading catering and event management platform, has joined forces with GoTab. Deposits for events in Tripleseat now flow seamlessly into event-day tabs in GoTab's Enterprise Commerce Platform. The integration streamlines mapping and delivers full accounting transparency.

KEY FEATURES

Flexible, Experience-First POS

Streamline operations for both staff and guests with a robust system designed to adapt to any service model.

Always-On Tabs

Guests, staff, or hosts can start and add to tabs anytime, keeping orders simple and connected.

Integrated Payments & Menus

Enjoy transparent accounting with built-in payments, plus real-time menu updates and contactless ordering.

BENEFITS

Seamless Deposit Application

Event deposits from Tripleseat flow directly into GoTab tabs, eliminating handoffs and streamlining operations.

Centralized Payments & Reporting

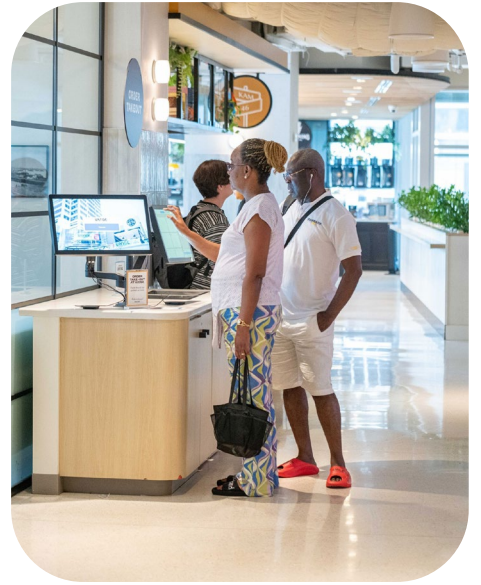

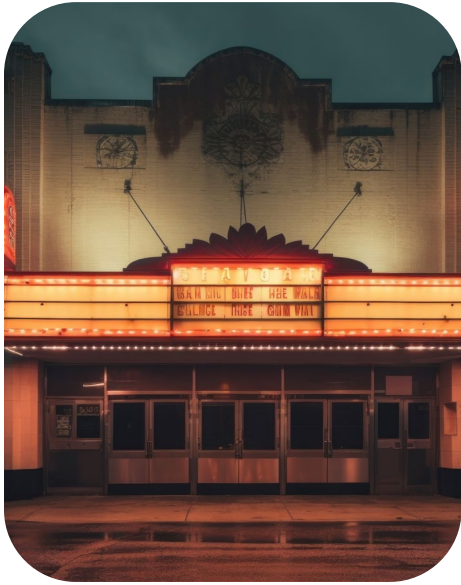

Track deposits and payments in one place with transparent, consistent sales reporting for managers and bookkeepers.

Efficiency That Drives Growth

Real-time sync reduces double entry, smooths workflows, and has helped operators boost event revenue by 30%+.
